Gianna Lynn rides a big hard one

Looks can be deceiving. Especially in Gianna's case. She's beautiful. True. She's smart. True. She loves riding with bikers. True. She a sweet girl. Not true. She's a sweet girl with a dirty mind. She likes her sex long and hard. She expects it to last all day, because if she's giving her body to you, she's not packing it up and taking it home right away. She wants to ride you all day long. Ride you long and hard.

I'm a huge techie geek. I'm on all the social network sites and am constantly texting, but never when I'm driving. I like guys that are like me, because deep down inside they are tigers waiting to cum out. Sometimes it only takes someone like me to bring it out in them. When I meet a geeky guy I think is fuckable, I'll shock him and go down on him before he can turn on his iPad!

*Here at **30+40** magazine, we've beec collectiong jokes sent in from our readers. Some had us on the floor laughing while other just had us scratching our heads. Nonetheless, rather than relegate them to File 13, we decided to share some of them with you. If you've already heard them, laugh anyway.*

My brave parrot

There was construction worker who had a 40 year old wife, a twenty year old daughter and a ten year old parrot. The parrot was very loyal. One Thursday morning the worker leaves for his job site leaving the wife and daughter at home. Unbeknownst to him, when he leaves the wife's lover comes to the house and they begin having sex. The parrot's sitting on his perch watching. When the man finishes cumin, the parrot flies to the job site and squawks out to the man, 'baaaaawk, man fucking wife, man fucking wife, baaaawk, come quick.' The worker says he can't leave until the whistle blows. The parrot flies back and lands on perch only to see the daughter fucking the man. Again the parrot leaves the house and goes to the construction site and tells the squawks out to the man, 'baaaaawk, man fucking daughter, man fucking daughter, baaaawk, come quick.' At that moment the whistle blows and the man jumps in his truck to drive home, but the parrot gets there first. As the parrot flies into the house and sees the lover man has finished cumin and is wiping his cock on the wall. The loyal parrot quickly flies outside and squawks at the man, 'baaaawk, don't go in, don't go in, baaaaawk' The man ask why and the parrot squawks: 'baaaaawk, man fuck wife, man fuck daughter, baaaaawk, and now he sharpens cock on wall to fuck you.

Christmas Eve

A despondent woman is about to jump off the Golden Gate Bridge when she hears a voice

Hey guys,

I'm writing because I don't understand this upside fucking position. The one where the woman is on her neck and head with her pussy up in the air and the guy's fucking her. I've tried this a couple times and decided that this is just not a good fucking position. The woman has hated it. I find that I get no traction to pump my cock into her. I can never go fully into her pussy, I can't reach her boobs. And to top it all, ther neck can't take the pressure. Somehow I have a feeling this position is only good for photography!

– Dan, Toronto

behind her.

She turns around to see that it’s Santa Claus.

“Why are you here? It’s Christmas Eve?” Santa says.

“Because I’ve lost my job, “ the woman answered, “ my husband has left me, and I have nothing to give the kids for Christmas.”

“Ah, but I can grant you three wishes, “ replies Santa, “When you get up tomorrow, your job will still be there, your husband will be waiting for you, and there’ll be presents for the kids under the tree.”

“Oh Santa - however can I repay you?” gasps the woman.

“Well - not a lot of people know this, “ comes the reply, “But old Santa is horny, you could bend over for me, the elves aren’t much good at it.”

“Dunno ‘bout that, “ the man says.

“Oh, go on, “ Santa urges, “After all - I granted you three wishes. Don’t be so ungrateful.”

“Ok, “ the woman sighs as he unzips his trousers.

Santa did the dirty deed to her and when he finished, he pulls his red trousers back up.

Santa looks at the woman and asks “How old are you?”

“I’m 42, “ comes the reply.

“What? And you still believe in Santa?”

The Pickle Man

This guy gets a job at the local pickle factory. Each year he wins the employee of the year award. One day in the 3rd year, he comes home looking all depressed.

His wife asks him what the matter is, and he says that he got fired.

“FIRED?!? How can you get fired, you’re always employee of the year!!”

To this he responds that he had another fantasy that he needed to fulfill and it got him fired...

“Oh no, not again...What did you do this time?” she asks.

Well, I always fantasized about sticking my willy in the pickle slicer.

“You didn’t!” she hoped.

He said, “Well, yes I did.”

Then she asks, “Did it hurt?”

“No, not really,” answers the man.

Puzzled she then asks, “Well what happened to the pickle slicer??”

He answers, “Oh, she got fired too!”

Why does Santa have such a big sack?
A.) Because he only comes once a year.

Why don’t witches wear panties when flying?
A.) To get a better grip on the broomstick!

I just love being naked and having my picture taken. And I get really excited when we're doing a video, too. Men become powerless when a naked woman is before them. We control everything. We got the mouth, we got the boobs, we got the pussy, and we got the, cum on everybody, say it with me, we got the ASS. That means we control it al;l just by allowing you have what we give. And then we take as much as we can.

don’t kiss but make out

Lexi and Katrina were each prom queens at their respective high schools, in the same year, and the two schools were only a mile apart. Yes, they knew each other then and they know each other now. Back then, they were in competition. Now they’re still in competition, but in another way. They compete for cock. Fortunately for us they put their competitiveness aside and each was rewarded with a big dick.

“ do you have

a lesson about peacetime while we're at war

I'm headed home from the ball game I just attended at in D.C. The Nationals beat the Yankees, which made the drive home a lot easier. I live across the river in Alexandria and work at Georgetown University as a security guard. I pulled into our cul-de-sac and noticed my neighbor's wife moving boxes around in her garage. She seemed to be struggling with some of the larger ones when I pulled over to the mouth of her driveway, rolled down the passenger window and leaned over.

"Hi Danni." I called out. "Whacha doin'? Do you need some help with those boxes?"

"Oh, hi Nelson. If you had a few minutes, I could really use some help. Harry is at the State Department again today." Some meetings about Afgahanistan." Harry workd for the Defense Department and ever since the Afghan War, has hardly ever been home on the weekends. I've seen Danni putzing around the yard and the garage, but this is the first time I've stopped to help her.

"Sure, Danni. Let park the car and I'll be right over." I pulled a few feet further down and into my driveway, not bothering to put it into the garage. I grabbed some work gloves from the back seat and walked over to her garage. She had pulled out a bunch of brown boxes and some suitcases into the first few feet of the garage. It looked like she was clearing an area out or looking for something. Something I wouldn't know until I asked her.

"Hey, whacha got going on? Looking for something back there?" I asked as I walked closer to the boxes. Danni was about 35 years old and looked it. The Washinton political scene can be very trying and she and Harry always seemed to be in the middle of it. This is one of the few times I saw her without makeup this close. She had naturally pretty features witha slim athletic body, long dirty blonde hair that she had under a bandana today, and wearing an oversize t-shirt that was tied in a big knot at her hip and falling off her shoulder, revealing no bra starp. Harry was probably in his late forties, but looked a few years younger. His hair was beginning to gray, but he was in good shape cause I would see him jogging almost every moring as I headed for Georgetown U. He's been working on plans to bring our troops home and I commend him for that.

"I'm trying to get that treadmill in the corner out so I can set it up on the back patio. I don't get up as early as Harry to jog but I want to get some kind of excercise during the day. I was going to put it on this little dolly and try to muscle it through the house and to the patio." she said.

"Looks I came just in time." I replied. She had moved most of the boxes that were in the way. I went over and moved the last few and pulled the treadmill out a little way. I motioned to her to get the dolly and to slip it under the treadmill as I tilted it back. She moved the last couple boxes in front of the path to the interior garage door as I pushed the machine towards it. I maneuvered it to go staright through the door and she got on the other side of the door jamb and helped by lifting the front as I pushed from the back. We managed to get it through the house and out to her patio.

"This is just perfect. Thanks so much. I'll clean it up and check it out to be sure it's working tomorrow." she said. I pulled the dolly out from under and we headed back to the garage. She detoured to the kitchen and got a couple of beers for us.

I was already moving boxes around and she came over and offered me the bottle. I took it and we toasted bottles with a dull clink. She looked directly at me, almost making me embarassed. I felt a little pang in my jeans as I stole a glance at her now pert nipples poking at the t-shirt. She saw me look but didn't say anything. We put our beers down and stared moving the boxes around in earnest. I would drag in the ones from the driveway and she would put them back, except for the heavier ones that she would direct me to put away. After about forty-five minutes and working up a sweat, she sat on one of the fuller boxes and patted the one next to her for me to come and sit.

"We make a good team. That went a lot faster and smoother than if I was to do it all be myself." she said between sips of her beer. "Thanks, Nelson. Can I give you a little something for your help, or at least for your time?" she asked as she put her hand on my thigh. I didn't take that to be a forward act, just a "thank you' gesture.

"It's Saturday Danni. I don't work on Saturdays, so there's no need to pay me anything." She laughed.

"I didn't say I was going to pay you, I said can I *give* you anything." Danni said as she slipped her hand up to my crotch. Now that was definitely a more personal gesture. She got up and went over to the garage door closer and pushed the button. The heavy door screeched and whined as it lowered itself, slowly dimming the light in the garage. Danni turned the dim ceiling light on and walked back to where I was. She put her hand behind my neck and pulled my head towards her.

Danni turned the dim ceiling light on and walked back to where I was. She put her hand behind my neck and pulled my head towards her.

She lowered her head to mine and our lips locked. I could feel her warm tongue sliding into my mouth. As the kiss deepened, she pressed into me. The heat from her body was a catalyst to my already hard cock. She broke off the kiss, took my hand and told me to adjust a few more of the boxes. After another deep kiss, she stepped back and untied the knot in her t-shirt and lifted it up and off her. I looked at her beautiful full breasts with half-doller sized pink nipples as she undid her jeans and dropped them to the floor. She stood in front of me in her cotton panties and nodded. I understood that meant that I should remove my shirt.

Moved her body into me and pressed it into mine. I felt the heat of her boobs against my chest. She guided me backwards until my knees gave way against the boxes. My butt dropped down onto them and then she pushed my shoulders back so I was lying down. She climbed onto the boxes and pushed her groin against me, then relaxed and then pushed her groin into me again. Instiinctively my hands slid down over her ass, squeezed and pulled her tight to me. I slid my hands under her panties and began squeezing and massaging her ass. As my right hand slid across the crack of her ass, I had the first touch of her pussy. It was more than just a little moist. I stretched my arm letting a finger slide across pussy to her clit and gently stroked it.

I rolled her over carefully and backed off the boxes so I could kneel in front of her. I let my tongue slide down across her chin and neck until I had the first taste of her boobs. With her nipple loosely between my teeth, my tongue played with her nipple. Then I started down across her belly. When I reach her panties she was soaking wet and I teased her pussy and clit through her panties. I grabbed her panties at the waistband, lifted her ass from the box and slid her panties off her. The smell of her pussy was like a magnet to my tongue. I felt her twitch as my tongue slipped into her pussy. When I started concentrating on her clit, I slid the my right index finger into her pussy. I only fingered fucked her for a few seconds when her pussy became so loose that I had no choice but to add my middle finger as well. With her clit between my lips, I gently sucked and licked until she arched towards me. She was at her first cumming.

I stood up and unbuttoned my jeans, gratefully releasing my rock hard cock, and pulled them off. I slid my arms under her legs, grabbed her ass and pulled her forward

She dipped a couple fingers in her pussy and then put them into my mouth.

so that she was sitting on the edge of the box. With my cock in my right hand, I ran the head of my cock across her pussy letting it dip in just enough to collect some of the moisture. Then I ran the shaft of my cock across per pussy, letting it slide up and down across her clit. It was more stimulation than she could bear. "Don't tease me." she moaned. "Put it in."

I slid my cock deep into her pussy with my first thrust. By the fourth, she gasped louder and louder. I was driving my cock into her. On each stroke she gasped and moaned. Her right hand drifted down between her legs. As she massaged her clit, her moans became muffled. I could see her biting her lower lip. Danni blurted out between gasps her body started shaking again. I slid my cock all the way in and held it there while her body rattled through another orgasm. She looked a little surpised as I reached out and rolled her over onto her knees. I was going to fuck her again, and there was no objection. I had her doggie style on the box now. With cock in hand, I came up behind her and slid it back in. I'd given her pussy a fairly good fucking while she was balled up on the box.

I grabbed her hips and settled into a steady pace. At first she was on her hands and knees and there wasn't much noise. But after a few minutes I could hear the shortness of breath returning. Then the soft moaning started. Finally she dropped her head down onto the box. Her arm reached back down under her stomach give my balls a squuze and pull of my scrotum skin.

As I doggie fucked her, I slid my finger into her pussy getting it nice and wet before taking it out and rubbing it over her anus. As I massaged the puckered hole, I knew from the Danni's moans that she would enjoy having something in her ass. Her moans deepened and her breathing got shorter as her third climax neared. My thumb penetrated her butthole an inch past my fingernail while her body trembled in another orgasm holding my cock deep inside her as I waited for her to stop climaxing.

I pulled out of her, my cock dripping with her pussy juices. Danni turned and stood up. She dipped a couple fingers in her pussy and then put them into my mouth. I tasted her sweet juices and my hard cock seemed to get even harder. She reached down and grabbed it, stroking it up and down.

"So you saved this for my mouth, did you?" she whispered.

I just murmered, 'mmmmm' as she dropped down in front of it and took it into her mouth. With her head bobbing up and down, I could hear her slurping as she sucked me deep and hard. I arched forward, aching to squirt a load of hot cum deep into her mouth, but she was well ahead of me. She slid her mouth off my cock. Grabbing it wth her left hand, she squeezed. She ran her tongue up and down the shaft of my cock and finished with a little ball licking. Then it was back to sucking my cock again. She repeated this twice more. Each time bringing me to the edge of orgasm, then backing off as she licked my shaft and balls while squeezing the head of my cock.

With my cock deep in her mouth, I lurched forward grabbing her head between my hands. A week's worth of cum was spewing out of me into the back of her throat. Slowly she withdrew from my cock, tenderly collecting each drop of cum as she did. Still kneeling on floor with elbows drapped over my knees and her head resting on my stomach, Danni pushed me back down on the box, opened my legs even more and buried her face and mouth into my ball sac. I could feel her tongue rolling around my balls as she sucked hard on them. Taking both into her mouth, her lips tightened around my scrotum like a thick, soft rubber band. She stroke my semi-limp cock back to a turgid state and unbelievably pumped a few more drops out of the tip of my cock head. This was totally new to me and I throughly enjoyed it. Apparently she did too as she gave out a small chuckle and stood up over me. "Time to go."

Sandra Romain

an open invite into her ass

Tell me, isn't everyone a sexual person. If not then the human race is doomed. I just know that I'm doing my part and I'm doing it with a smile. I'm doing it as often as I can with whomever feels the way I do. It's about having fun and personal expression. Just because I want my ass fucked as long time doesn't mean I'm not contributing. I am!

Kaci Starr

soft warm wet and very horny

Before I got into the business, I could count the number of guys I'd been with on one hand. And for the girls, well, that number would have been be zero. Now, I don't have enough finger and toes for either. That's crazy. But it's a controlled craziness. Even though my professional sex life is somewhat controlled, my personal one is not. I'm a true believer that you save some things as special for your true lover.
